HC DrugFree's Take Back Event Slideshow

Please take a few minutes to enjoy HC DrugFree's [commemorative slideshow](#) of our October 29 drive-thru medication and sharps collection.

Again, thank you to the community, our partners, and our dedicated and caring team!!! Together, we collected 1,294 lbs. (45 white bins) of medication. The additional 23 red bins of sharps were not included in the weight.

Working Together to Keep Howard County Safe

So glad that our 100 medication lockboxes have found new homes where they can be put to use to help protect Howard County families. In the photo above, Executive Director Joan Webb Scornaienchi showed a medication storage lockbox (\$42 value) to Lieutenant Kurt Wall from the Howard County Office of the Sheriff. Thank you, Lt. Wall for directing traffic and supporting HC DrugFree throughout the year.

The photos below show a small portion of medication and sharps collected at the event and sorted by our skilled medical team. Again, thank you, team.

Thank You, HCPD and Wegmans

Thank you to the Howard County Police Department (HCPD) for guarding and

transporting the medication collected and to Wegmans in Columbia for volunteering and helping to fund our event. We appreciate all that HCPD and Wegmans do to serve the Howard County community throughout the year.

Still Serving the Community

Back together again and still serving the community! Thank you to the former members of Soroptimist International of Howard County (SIHC) for supporting HC DrugFree and volunteering at these collection events throughout the year.

Thank You for Tables

Thank you to Linda Lamppert Leslie, Kathy and Dale Linne von Berg, and Vanessa Bergolios for providing tables for our event. Our team could not do

what we do without the support of the community. It takes village!!!
